STATE PREPARING TO IMPROVE ROAD FROM SPEERS TO COAL CENTRE

Preliminary Work Is To Be Rushed By District Engineer

BOND ISSUE FUNDS TO BE USED

It looks as if work on the Speers-Coal Centre highway will be under way this summer, and while it will take several months to complete the job, the people who live along that section of roadway will be delighted to know that something definite has been decided upon and that action will not be long delayed.

Orders from the State Highway department to prepare at once plans for the improvement of the Speers-Coal Centre road, as well as the Venice-Camonsburg and the Hickory-Burgettstown highways have been received by W. D. Meyers, engineer in charge of District 14 of the state highways.

The Speers-Coal Centre road, known as route 288, will be purely a state road, and will be financed out of the \$50,000,000 issue of bonds recently approved by the state. The improvement of this road has been urged for many years by residents of that section of the valley, as well as many other citizens who live adjacent thereto. It is the main highway south from Charleroi to Roscoe and other up-river points and its improvement will accommodate not only thousands of people in this immediate vicinity but all those who desire to use the highway in traveling up and down the valley.

The action of the highway department, coming at this time, has greatly increased the enthusiasm of those who are working for the progressive good roads improvement plan to be submitted to the voters on the 17th of the month, and is expected to increase interest throughout the country, as evidencing the disposition of the county toward the state.

The improvement of the Speers-Coal Centre highway will not only extend the good roads plan to the latter town, but it will likewise link up with other improved roads which give an outlet to the National Pike at Centerville.

Card of Thanks.

We wish to thank our friends and neighbors for their act of kindness and sympathy during the sickness and at time of death of our beloved husband and father.

CHARLEROI GIRL MARRIED IN LATROBE

Miss Tena K. Estenfelder, daughter of Mrs. Anna Estenfelder of Meadow a venue and Homer H. Dunn of Latrobe were married in the First Presbyterian church, Latrobe, by the pastor, Rev. Fisher, Thursday evening at 6 o'clock. The only attendants were Mrs. George Steele and George Dunn, both of Latrobe sister and brother of the groom. Immediately after the ceremony the bridal party was entertained at the home of Mrs. Steele, after which Mr. and Mrs. Dunn left for a wedding trip through the west. They will be at home after June 15 at 613 Chestnut street, Latrobe.

"WORLD AT HOME" APPEARS NEXT WEEK

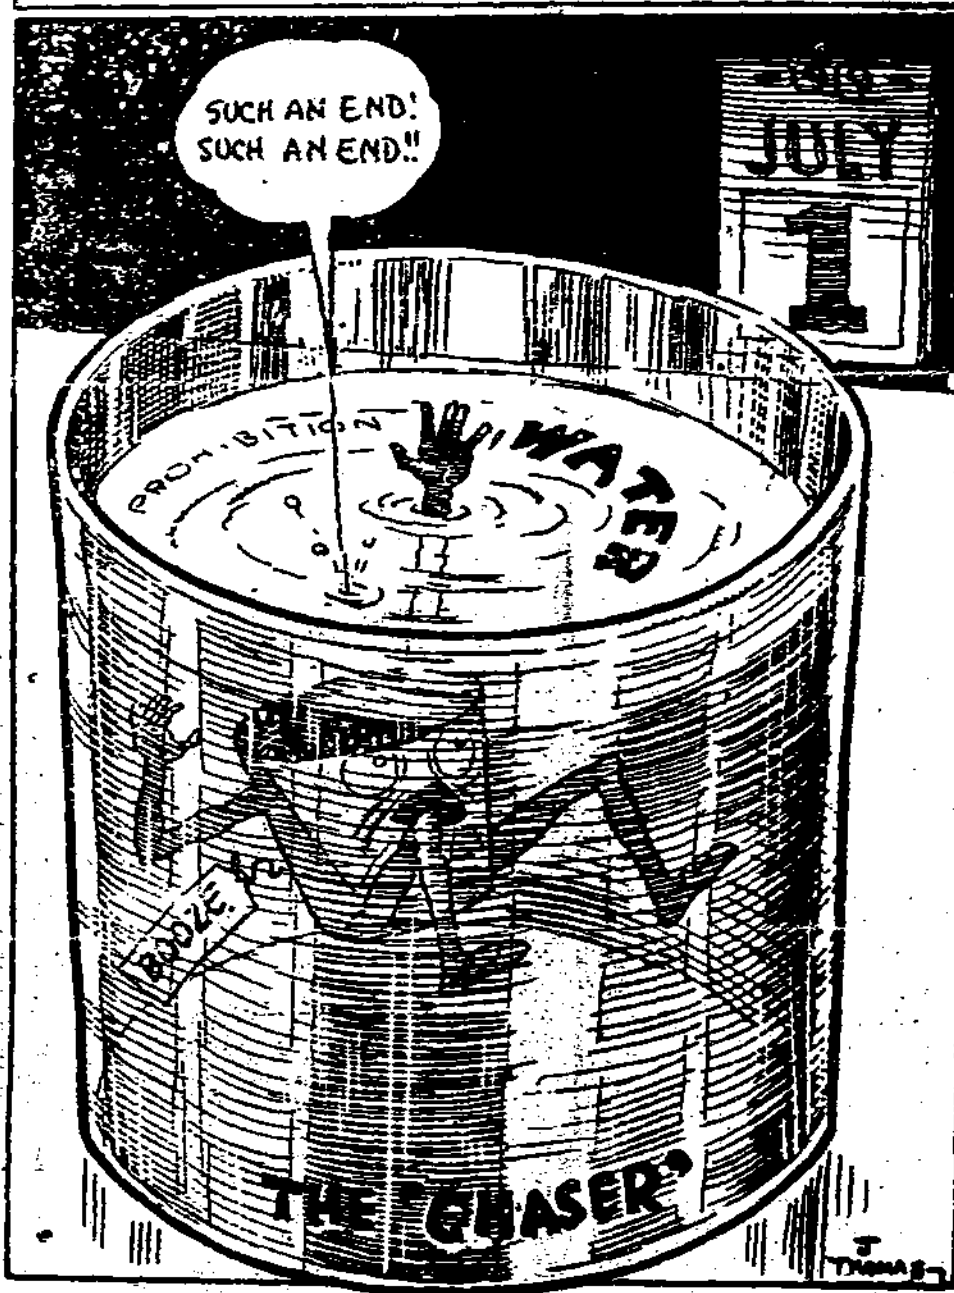

Advertising throughout the valley announces the coming of the World At Home Shows to Charleroi for a six day engagement commencing next Monday. They are to appear here under the auspices of the Public Safety Department and we are reliably informed that a portion of the receipts are to be donated to the Bathing Beach Committee. If advance publicity and newspaper criticisms from cities, where these shows have recently exhibited, are to be relied upon we are led to believe the World At Home Shows are clean, refined and meritorious and deserving of the patronage of our people.

Chief among the attractions to be presented are The Water Circus, with Miss Lucille Anderson and a company of expert swimmers and divers; O. K. Haker's Famous Autodrome, presenting O. K. and Miss Olive Hager in automobile and motorcycle racing on a perpendicular wooden track; Omar Sami's House of a Thousand Wonders, here you will see a series of the most mystifying illusions ever presented to the public; The Rhoda Royal Circus and Wild West; Old Plantation Show; The Big 8-Circus Side Show; Superba, The Minature Musical Revue; Underground Chinatown, depicting the life of the Chinese of San Francisco before the earthquake; The Wonderful Submarine; and Maxine, The Half Lady, Three Riding Devices, the merry-go-round, whip and Ferris wheel are carried by the show.

The twenty-piece American Band, with theshows will give a sacred concert at the Bathing Beach at 7 P. M. Sunday to which the public are most cordially invited. The shows move in their own special train of twenty-five cars and are due to arrive in Charleroi early Sunday afternoon from Conne.

LOCK FOUR BOY DIES IN FRANCE

A telegram was received by Wm. Craft of Lock Four this morning from the War Department, saying that his son Raymond had died in France on the 26th of May. No details accompanied the message. The young man was called for service last summer and was sent to France shortly after entering the service, being attached to the Medical Department. He was a graduate of the California Normal class of 1917 and after his graduation was employed in the engineer's office at Lock Four.

CHARLEROI TO HAVE CHAUTAUQUA JUNE 24

The Lincoln Chautauqua will be in Charleroi during the week of June 24th, and a special representative of the company will be here on Monday to meet the guarantors, who are requested to be at the office of Guy Moffitt that evening at 8 o'clock. It has been several years since Charleroi has had a summer Chautauqua, but the guarantors believe that the present is a good time to reinaugurate these splendid entertainments for the benefit of the community. Details of the program and the special features will be available after the representative has had a conference with the guarantors.

BACCALAUREATE SERMON FOR GRADUATING CLASS SUNDAY EVENING

DAMAGE SLIGHT AS A RESULT OF FIRE

The fire department was called to the lower end of Fallowfield avenue yesterday afternoon about 3:30 o'clock, a double frame house near the coal tippie being on fire. The fire had started in the attic of the building and while there was not a great deal of blaze, the smoke was quite heavy, which made it difficult for the firemen. Very little damage was done to the building.

CLASS PLAY WAS WELL PRESENTED

The annual commencement season was ushered in last evening when the Class of '19 presented Walter Ben Hare's American comedy "A Couple of Million," in four acts, at the high school auditorium. There was a capacity attendance. The play, which was splendidly given was also greatly enjoyed. It was produced under the direction of Mrs. A. T. Hill to whom is due much of the credit for its successful presentation.

It can truthfully be stated that some of the participants displayed marked ability in the portrayal of the characters allotted them, while all are deserving of a full measure of praise for their splendid work.

The "star" of the evening was David Glunt, president of the Class of '19, in the character of "Stubby." He certainly gave a strong Bowery flavor to the part of the office boy, who was so absorbed with base ball happenings, to the detriment of aught else, until he met his fate at the hands of "Sammie Bell Porter," in Opaloopa, Alabama. David's work was strongly professional. Edith Piersol, as "Pink," the colored maid was in her element, in a character peculiarly adapted to her talents. Her work evoked peals of laughter. Velma Kibler looked and acted well the part of "Pay Fairbanks," the Alabama beauty. Carl Schmieler, in the role of "Bemis Bennington," the young man burdened with a fortune, which was to become his, under certain conditions in his uncle's will, did splendidly. Irene Jones, as "Sammie Bell Porter," was as ardent a wooer as was her lover, "Stubby." The scene between this couple, on the lawn seat, near the court house at Opaloopa, was cleverly done, and elicited well merited applause. The part of "Mrs. Clarice Courtenay" was played by Miss Gladys Gater, was a very fine piece of work. Aldin Carroll gave a satisfactory interpretation of the character of "Hon. Jermy Wise," the family lawyer, who, although a confirmed bachelor, eventually succumbed to the wiles of "Mrs. Courtenay." Pauline Latchem, as "Miss Gene-

Fine Program Has Been Arranged For This Annual Event

SERMON BY REV. T. D. REES

The baccalaureate sermon to the members of the Senior class of the Charleroi high school will be preached Sunday evening in the high school auditorium by the Rev. T. D. Rees, of the First Baptist church. A fine program has been arranged for the exercises, which will begin at eight o'clock, and in which music will be a feature.

The baccalaureate exercises are second on the list of events for the local commencement season, to be followed in order by the commencement exercises proper Thursday evening, June 12, at 8 o'clock, at which time Reed B. Teitrick, Esq., will deliver the address to the members of the graduating class.

The events of the week will close with the annual picnic of the schools to be held at Eldora park, Friday, June 13. The program for the exercises Sunday evening is as follows: Hymn, "Songs of Praise the Angels Sang," Montgomery-French-Choir and Congregation.

Invocation, (all standing)—Rev. I. R. Burson.

Duet, "I Will Magnify Thee," Mesdames—Miss Emma Clutter and Warren C. Kinder.

Scripture Reading, (Old Testament)—Rev. C. G. Huffer.

Hymn, "Day By Day the Meana Fell," Condor-Gottschalls-Choir and Congregation.

Scripture Reading, (New Testament)—Rev. C. Argyle Kellar.

Gloria Patri, Greater-Choir and Congregation.

Prayer, Rev. G. A. Allison.

Festival Te Deum, in E flat, Dudley Buck-Choir.

Sermon, "The Rainbow About the Throne," (Rev. 4:3)—Rev. T. D. Rees.

Hymn, "Abide With Me," Lyta Monk-Choir and Congregation.

Benediction, Rev. Henri Poirrier, Director—Prof. I. T. Daniel.

Accompanist—Miss Helen S. Thompson.

vieve McCulley," whom circumstances had compelled to serve as stenographer in the office of the family lawyer, was especially good. Duane Jones as "Professor Noub Jabba," Allan Byrne, in the character of "Sheriff Beverly Lowman," and Leslie Welch as "Squire Piper," did well in their respective parts, aiding in the presentation of a class play which has rarely, if ever, been surpassed in the history of the local high school. The usual class day exercises followed the presentation of the play and were unusually interesting.

Owing to numerous requests, "A Couple of Million" will be repeated at the high school auditorium next Tuesday evening.

"An attack of indigestion or dyspepsia are in themselves the simplest ailments I imagine," said the Ten-Herbs Man, "but if the truth were known they would be found to be even more dangerous than some of the most terrible fevers. They may be trifling, but they are a never-failing sign that the stomach is not performing its proper functions.
"When the stomach is not properly digesting the food, there is no limit to the way affections can spread to every organ of the body, producing intestinal poisoning, rheumatism, liver and kidney trouble and many other distressing ailments.

"Ten-Herbs the famous herbal stomach remedy, is invaluable in aiding such cases. It acts almost like a miracle, purifies the blood, causes the food to digest perfectly and puts the entire system in a strong, healthy condition, and we are daily in receipt of signed statements from well known local people verifying this contention.

"Only the other day Mrs. A. Vogel, a popular Pittsburgh lady, residing at No. 106 Holzer street, gave the following:
"I have had trouble with my stomach for the past three years, was bloated with gas, could not digest my food, had headaches, and was so even more dangerous than some of the most terrible fevers. They may be trifling, but they are a never-failing sign that the stomach is not performing its proper functions.

**MAY RE-FLOOR
DONORA BRIDGE**

At the joint meeting of the commissioners of Fayette and Washington counties, held this morning at the Belle Vernon bridge to inspect the work done on the east pier, it was decided to have the structure painted and the Controllers will be directed to advertise for bids for this purpose.
On Wednesday, June 18, the commissioners of Washington county will meet with the commissioners of Westmoreland county, at which time the question of reflooring the Donora bridge with block will be taken up and discussed. Commissioner John O. Watson has been in favor of this improvement ever since he has been in office, believing that such a floor would do away with a lot of expense which the county is compelled to meet in the way of repairs in order to keep the bridge passable. The wood floor of this bridge, which has never given satisfaction, has been a continuous source of complaint from all those who are compelled to use it.
